

April 27, 2026 Building Committee Meeting Minutes

President Van Thompson called the meeting to order at 5:39pm

Present: Van, Pam, Lynn

Absent: None

Also Present: Bianca Sierra

Introduction of Visitors: None

Public Comment: None

Consent Agenda: Minutes from the March 3, 2026 meeting were reviewed. Van made a motion to accept the minutes as is. Lynn seconded. Motion passed.

Old Business: Director shared that the security grant application had been submitted and that this is a very competitive grant. We hope to have a response on our application by July.

New Business:

- A. Flower Bed Maintenance: The director has reached out to Respectabilities in downtown East Moline to find out what they charge for cleaning up the flower beds. Waiting for a reply.
- B. The city painted the curbs at the library entrance to better communicate no parking areas on 16th avenue. This is in response to cars parking too close to the entrance/exit and at times blocking traffic. Director will schedule paint striping for the rest of the parking lot soon. The committee recommended painting the EV charger lines a different color.
- C. EV Chargers: Installation continues and has had delays due to rain.
- D. The front door counter stopped working and the director asked for feedback in what kind of replacement to get. The current model purchased on Amazon is not always accurate and has a short life space. It was agreed to purchase more expensive door counter from directly from the vendor. Both will be replaced.
- E. Strategic Plan Needs: Van suggested we prioritize security of the building depending on the outcome of the state security grant. We also discussed study room(s) in the basement.

Meeting adjourned at 6:03pm
